Associate Director

MINUTES
CABINET COUNCIL ON COMMERCE AND TRADE
Meeting #71, September 14, 1983
8:45 a.m., Roosevelt Room

Attendees: Messrs. Baldrige, Block, Brock, Feldstein, McNamar, Svahn, Gunn, Mossinghoff, Olmer, Keel, McMinn, Wallis, Rose, Searby, Baroody, Gingrich, Coy, Neal, and Herbolsheimer

Intellectual Property

Gerry Mossinghoff, Chairman of the Working Group on Intellectual Property presented the following recommendation to the Council on semiconductor chip design protection:

The Administration should support prompt enactment of legislation which:

(a) provides protection to original semiconductor chip designs through a registration system;

(b) grants the owner of a chip design the exclusive right to copy the chip for commercial purposes and the exclusive right to distribute such chips;

(c) grants such protection prospectively, i.e., only on new chips.

Action Taken:

The recommendation was accepted by the Council.

Trade Law Revision

Lionel Olmer, Under Secretary of Commerce recommended that the Administration announce proposals for revising the AD/CVD laws, but delay release of the actual text of a bill pending further discussion internally and with the Hill. He cited the strong likelihood that, within the next few days, Congressman Sam Gibbons would introduce AD/CVD revisions.

Action Taken:

The Executive Secretary was directed to establish an interagency working group to review the specific recommendations made by Commerce and to recommend an Administration position on each. In addition, the Working Group is to recommend an Administration position on the provisions in the Gibbons bill when it is introduced. The Working Group's recommendations will be forwarded to the Executive Secretary by September 26.
